“The Call for Spiritual Preparation to Ordinary People”

“Do not ask your children to strive for extraordinary lives. Such striving may seem admirable, but it is the way of foolishness. Help them instead to find the wonder and the marvel of an ordinary life. Show them the joy of tasting tomatoes, apples and pears. Show them how to cry when pets and people die. Show them the infinite pleasure in the touch of a hand. And make the ordinary come alive for them. The extraordinary will take care of itself.”
— William Martin —

Just ordinary people . . . God uses ordinary people! He chooses people just like me and you, who are willing to do as He commands. God uses people that will give Him all, no matter how small your all may seem to you; because little becomes much as you place it in the Master’s Hand. --
Danniebelle Hall

God needs ordinary people to be trained for spiritual warfare before the battle occur; that’s what Sunday School is all about, this is what prayer services and sermons are all about—getting ordinary people of God ready for spiritual battle and extraordinary duties. It is only worth noting to say that Jesus, (born as an ordinary man) first vocational test

came soon after His affirmation from God immediately following His baptism.

Jesus’ appearance as ordinary man caused many in His day to look beyond the surface of the naked eye. Missing the extraordinary in your ordinary? Listen for the voice of God . . . the voice of others calling you to do extraordinary things will not satisfy God’s expectations. God the inherent caller, calls us to sacrifice ourselves for our children or giving ourselves to aging parents. Do you hear the voice of God in the voice of others at work; the people next door in which we live, or the ones we do business with. God uses ordinary people. He chooses people just like me and you, who are willing to do as He commands. God uses people that will give Him all, no matter how small your all may seem to you; because little becomes much as you place it in the Master’s Hand.

CALLING ALL TECHIES:

Wade Harris has been a great blessing for FCC Jenks this past year! He stepped up and set up Zoom so we could use it for Church, Sunday School, Bible Study, and Board Meetings during Covid so those who did not feel comfortable attending in person could still be a part of our church. He also had it set up so people could watch it on Facebook and U-Tube. He has very faithfully had it up every Sunday and Wednesday. As of June he will not be available a lot of the time, so we really need someone (or several people) to learn how to manage this for us. If no one is

interested, we will not be able to continue this very important part of our church. This is the only way those home-bound people can participate. Please contact Wade at 918-232-0028. If there is no answer, please leave a message and he will get back to you. Or if you know of someone that would be interested, let him know that also.
