"It's Time to Start Again"

6 "Being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus." (Phil. 1:6 NIV)

As people of God, we need to reset our body's spiritual clock, recalibrate our spiritual goals and rechart our lives for purposeful ministry. There's something electrifying, unimaginable, spectacular, and incomprehensible about to happen; our spiritual roots are growing deeper, stronger and the branches and leaves are becoming more robust and reaching heights that the mind cannot envision. It is the Kingdom of God expanding, celebrating, and offering new and wonderful approaches to the Throne of God. Examine the evidence . . . just for a few moments, reflect on your life's adventures, experiences, and accomplishments. You are about to step away

from the past, and step into the future, while still in the present. It's your right and your choice waiting to be made, which direction will you go. Look forward to a new spiritual encounter with deeper faith, and a healthier spiritual and physical perspective. It's not just about you, but it is about your family and the many lives you touch.

In His Will,
Pastor Dean

Congregational Meeting

There will be a Congregational Meeting on December 6 to decide whether to go totally virtual, or to continue as we have been - anyone that wants to attend church in person can, or if you need to attend on Zoom , Facebook, or U-Tube that will still be available. Our District Minister would like churches to suspend “in-person” worship until the virus calms down. However, each church can make their own decision. The Board is recommending to continue as we have been where it is up to the individual. This is provided we social distance and wear our masks.

In the end of November, it will be time to Deck the Halls at church! We will put up the tree and decorate the sanctuary on Friday, Nov. 27 and Saturday, Nov. 28 from 9 am to 12 noon.

Come down and help us prepare for the hanging of the greens!
